TITLE IV FUNDING – GENERAL INFORMATION

Montana Academy of Salons educates students and/or parents in all options of financial aid available to those who qualify. We understand that all student's/family's needs are unique. We are committed to the student's educational success, a part of which includes securing the proper funding. The information from the FAFSA, provided by the student and/or parent, in conjunction with state and federal regulations determines eligibility for available programs. Many parents borrow money to help cover educational costs and living expenses for their daughter/son. Montana Academy of Salons encourages parents of eligible dependent students to apply for the Federal Parent Plus Loan.

TYPES OF FINANCIAL AID AVAILABLE

FEDERAL PELL GRANT (NEED BASED AID)

Pell Grants provide a foundation of financial assistance that may be supplemental by other resources and doesn't have to be repaid after graduation. Pell Grants are determined after the financial status of a student is fully reviewed. Based on a student's financial circumstances, a specific amount of money is disbursed annually toward the student's education through the Pell Grant. How much you can expect to receive from a Pell Grant is solely based on your financial situation and other criteria.

WILLIAM D. FORD DIRECT STAFFORD LOANS (NEED & NON-NEED BASED AID)

Loans made through this program are referred to as Direct Loans, because eligible student and parents borrow directly from the US Department of Education. You must be enrolled at least a half-time student to be eligible for a loan. Direct Loans include the following:

DIRECT STAFFORD LOANS

- Direct Subsidized Loans – you must have financial need to receive a subsidized loan. The US Department of Education will pay (subsidize) the interest that accrues on your Direct Subsidized Loan during certain periods.
- Direct Unsubsidized Loans – financial need is not a requirement to obtain an unsubsidized loan. You are responsible for paying the interest that accrues on your Direct Unsubsidized Loan.
- Direct PLUS Loans (Plus Loans) are loans parents can obtain to help pay the cost of education for their dependent undergraduate children.

G.I. BILL

If you have spent time in the military, you may be eligible to use your G.I. Bill toward your education, or the G.I. Bill may be transferred to your spouse or children. The G.I. Bill was specifically designed for college or vocational education. The Montana Academy of Salons is certified by State Approving Agency for Veterans' Educational Benefits. *These approvals are state and Montana Academy specific and may not apply to all schools. To apply go to www.gibill.va.gov. Bring your certificate of eligibility to the FAO Office to begin enrollment certification with the Veterans Administration ("VA").

ELIGIBILITY OF TITLE IV AID

To be eligible for Title IV Aid, the student must:

- have a high school diploma, GED or equivalent
- complete the FAFSA for each financial aid year the student is eligible for aid

- be a citizen or eligible non-citizen
- have resolved any drug convictions

STEPS TO APPLY FOR TITLE IV AID

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA at www.fafsa.ed.gov. To complete a web FAFSA, the student will need an electronic pin number. This can be obtained at www.pin.ed.gov. This pin is unique to each FAFSA applicant and cannot be shared with anyone else as it acts as the student's signature required to submit a FAFSA. A parent of a dependent student must also apply for a pin. The parent is required to sign the web FAFSA with their uniquely created pin.
2. Once a pin number has successfully been created, a web FAFSA can now be completed. Be sure to follow all instructions when completing the FAFSA. Enter the Code 04164, for Montana Academy of Salons, Great Falls, MT. This will allow disclosure of information from the FAFSA to the Montana Academy. In the case of a dependent student, both the student and one parent will need to complete and sign the FAFSA application in order to be eligible for a Pell Grant. Dependency status is determined by the information that is filled out on the student's FAFSA.
3. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized funding.
4. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). Montana Academy will be sent an ISIR (Institutional Student Information Record) for all students who list Montana Academy's code. All verification and/or corrections must be completed prior to qualifying for aid.
5. If a student's FAFSA is selected for verification, the student will receive Montana Academy's verification policy and a verification worksheet. The student is required to return the verification worksheet completed, as well as provide any other requested documents. If parent information is entered in the FAFSA, or the student is a dependent, parents may need to provide additional requested documents. If selected, this verification process must be completed before a student can receive federal aid. The verification process could result in a corrected ISIR and new Expected Family Contribution (EFC) number which could affect the student's unmet need and eligible need based aid, Stafford Subsidized Loans and Pell Grants.
6. The Primary EFC provided on the student's ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student's tuition costs per academic year. These costs include tuition, applicable fees, kit and books (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.
7. Montana Academy of Salons utilizes the information presented on the student's ISIR and the NSLDS (**National Student Loan Data System**) to determine the student's eligibility and to calculate the student's unmet need for the student's grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.
8. Students who desire Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov
9. Parents desiring to take out a Federal Parent Plus Loan on behalf of their dependent daughter or son must complete a Consent to Credit Check document that is made available by the Financial Aid Office. This form must be returned completed along with a readable copy of the parents Driver's License or State ID.
10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov

11. Students will need to accept or decline eligible aid by completing the Students Financial Aid Award Notice with the Financial Aid Officer.
12. Accepted aid will be listed on the student's award letter.
13. Students are required to notify Montana Academy's Financial Aid Officer if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.

SPECIAL CIRCUMSTANCES – DEPENDENCY OVERRIDE & PROFESSIONAL JUDGMENT

Dependency Override – Students who do not meet the Federal definition of an independent student, but have unusual circumstances, may appeal their dependency status to Montana Academy's Financial Aid Office. Dependency Status overrides are done on a case by case basis and a determination from the Financial Aid Officer at one institution is not binding at another institution. Successful appeals may result in an increase in the student's eligibility for aid. The Application and Verification Guide (AVG) has identified four conditions that individually or in combination with one another, **do not qualify as "unusual circumstances" or that do not merit a dependency override**. These circumstances are as follows:

1. Parents refusing to contribute to the student's education
2. Parents unwilling to provide information on the application or for verification
3. Parents are not claiming the students as a dependent for income tax purposes
4. Student demonstrates total self-sufficiency.

Students with special circumstances should contact Montana Academy's Financial Aid Office. Those students whose appeals are determined eligible will be required to submit three letters detailing the student's situation. The first letter must be from the student detailing their situation and the other two letters must be from outside sources familiar with the student's situation (i.e.: Clergy, family friend, counsellor, etc.)

Professional Judgement – Circumstances beyond the student's control (and/or family) that affect the student's (and/or family) income during the current academic year could result in a reduced estimated family contribution (EFC). Students with special circumstances should always complete a FAFSA and then contact the Financial Aid Office. If a student wishes to appeal the EFC based on special circumstances and is determined eligible to do so, the student should complete a Professional Judgement form and may be requested to supply supporting documentation of said circumstances.

VERIFICATION

Students selected by the U.S. Department of Education CPS (Central Processing System) for the process of verification are frequently required to submit additional information and/or parent's financial and household information to the Financial Aid Office. The verification procedures will be conducted as follows:

1. When selected by CPS for the process of verification, the student must submit all required documentation to the Financial Aid Office within 14 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all of the required documentation within the 14-day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.

3. The Financial Aid Office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
4. The Financial Aid Office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

DEFERMENT

Students who are enrolled at least half time can apply for deferment of previous student loans while in attendance at Montana Academy of Salons. Please log on to www.nslids.ed.gov to find your current loan servicer and to find out more details on "in-academy deferment".

HOW FUNDS WILL BE DISBURSED:

In order to receive their Pell Grant/Direct Loan Disbursements, students are required to satisfy the school's Satisfactory Academic Progress (SAP) policy which requires, among other things, that students maintain a cumulative grade point average of at least 85%. This figure is determined by averaging grades from the following areas: classroom work, projects, and styling area performance. The school's SAP policy also requires that students maintain an 85% or higher cumulative attendance rate.

First disbursement is scheduled for the first day of classes for Pell and thirty days after class begins for direct loans.

Course	Disbursement Schedules (hours)									
	96	152	325	350	450	900	1200	1350	1800	1900
Barbering		x			x		x			
Cosmetology		x			x	x		x	x	x
Esthetics	x		x							
Massage Therapy		x		x						

At the time of disbursement, the student will sign an online receipt acknowledging the disbursement and the status of their account.

DISBURSEMENT OF CREDIT BALANCE REFUND SUMMARY

If the student has financial aid that exceeds his or her tuition and fee charges for the academic year in which the disbursement occurred, the student will have a credit balance. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

A CREDIT BALANCE REFUND WILL BE GIVEN TO THE PARENT IF:

The amount of the PLUS loan is greater than the student's tuition and fees charges for the academic year in which the disbursement occurred. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

EFFECTS OF STUDENT LOANS

- If the student receives other forms of financial assistance such as scholarships it may reduce the student or the student’s parent eligibility for Federal Aid.
- Loans must be repaid, even if the student does not finish their education. Loan repayment begins 6 months from the date of graduation or withdrawal.
- If a student does not return from a maximum of 180-day Leave of Absence, the student’s loans immediately enter repayment.
- Failure to repay a student loan will negatively affect the borrower’s credit.
- Over-borrowing of student loans may cause a borrower to pay more than their earning potential can handle, especially during the early years of repayment.

LOAN DISCLOSURES

- Student loan information published by the US Department of Education (The Guide to Federal Student Aid) is available in the Financial Aid Office.
- NSLDS (National Student Load Data System) – student loans will be submitted to the NSLDS and will be accessible by guaranty agencies, lenders and Montana Academy determined to be authorized users of the data system.

PRIVATE LOAN DISCLOSURES

Montana Academy does not offer educational/institutional loans.

Montana Academy, lender or the Direct Loan Servicing Center, as appropriate, must give you a loan repayment schedule that states:

- when your first payment is due;
- the number and frequency of payments; and
- the amount of each payment.

STUDENT (BORROWER) RESPONSIBILITIES

1. **BORROWER** – it is the responsibility of the student to:
 - Think about how much you are borrowing: how the amount of loan will affect your future finances, and what your repayment obligation means before you take out a student loan.
 - Students will need to accept or decline eligible aid. Accepted aid will be listed on the student’s award letter.
 - Sign a promissory note: you are agreeing to repay the loan according to the terms of the note even if you do not complete your education, can’t get a job after you complete the program, or you didn’t like the education that you received. You can do this online at www.studentloans.gov. This promissory note can be signed electronically or hard copy before any loan funds can be disbursed.
 - Make payments on time: you are required to make payments on time even if you don’t receive a bill, repayment notice, or a reminder. You also must make monthly payments in the full amount required by your repayment plan. Partial payments do not fulfill your obligation to repay your student loan on time.
 - Continue to pay your loans while waiting for deferment or forbearance approval.
 - Keep in touch with your loan servicer: notify your servicer when you graduate; withdraw from Montana Academy, drop below half-time status, change your name, address, or social security number; or transfer to another school.
2. **ENTRANCE COUNSELING**: First-time borrowers must complete an entrance counseling session before your first loan disbursement. This session includes useful tips and tools to help you develop a budget for managing your education expenses and help you to understand your loan responsibilities. Each student will complete the Department of Education’s entrance counseling online at www.studentloans.gov.
 - Review deferment
 - Importance of keeping financial aid papers
 - Reinforce the importance of repayment

- Importance that loan repayment is required even if the student does not finish their education
 - Default and its consequences
 - How to use the MPN or E-MPN
 - Explain interest and capitalization
 - Provide sample monthly repayment amounts and the importance of not over borrowing
 - NSLDS and how to access the system
 - Contact information for questions
 - Notification of change of name or address
 - Withdrawal from the program and how the withdrawal will affect the student
3. **EXIT COUNSELING:** Students must complete exit counseling before you leave Montana Academy to make sure you understand your rights and responsibilities as a borrower. The exit counseling interview will be scheduled no sooner than 1 week after the student completes the course hours. Each student will complete the Department of Education’s exit counseling online at www.nsls.ed.gov and www.studentloans.gov, as well as discuss the following during your personal appointment with the FAO :
- Review information concerning loans from entrance interview
 - Review repayment options including seriousness and importance
 - Review average indebtedness of student borrowers and anticipated monthly repayment amount
 - Provide information on loan consolidation (pros and cons)
 - Discuss how to contact the party servicing the student borrower’s direct loans
 - Discuss debt management strategies
 - Provide information on forbearance, deferment and cancellation options
 - Describe the likely consequences of default
 - How to access the NSLDS website and availability of FSA Ombudsman’s Office
 - Help the borrower understand their rights and responsibilities concerning loan repayment
 - Collect updated personal contact information for the borrower
4. **REPAYMENT OF LOANS:** There is a set time period after a student graduates, leaves Montana Academy or drops below half-time status before the student must begin repayment of loan(s). This period of time is called a grace period and gives the student the time to get financially settled and select a repayment plan. The grace period for a Direct Stafford loan is six months. Plus Loans do not have a grace period. Depending on the type of loan a student receives and the repayment plan chosen, the student may have from 10-25 years to repay the loans. Monthly repayment amount will depend on the type of loan, size of debt, length of repayment period, interest rate and repayment plan chosen.

Although a student may select or be assigned a repayment plan when they first begin repaying their student loan, a student can change repayment plans at any time—for free. The student should contact their loan servicer if they would like to discuss repayment plan options or change their repayment plan. Students can get information about all of the federal student loans they have received and find the loan servicer for their loans by logging in to [My Federal Student Aid](https://studentaid.ed.gov/sa/?login=true) (<https://studentaid.ed.gov/sa/?login=true>).

Before contacting a loan servicer to discuss repayment plans, a student can use the Department of Education's [Repayment Estimator](https://studentloans.gov/myDirectLoan/mobile/repayment/repaymentEstimator.action) <https://studentloans.gov/myDirectLoan/mobile/repayment/repaymentEstimator.action> to get an early look at which plans they may be eligible for and see estimates for how much they would pay monthly and overall.
